

Sports premium impact 2015/2016

Lunch time activities.

Rotation of daily lunch time activities were introduced during the spring term and continued throughout the summer term. This increased the participation of focussed lunch time activity and improved lunch time behaviour.

Competitions attended.

There was an added effort to tailor the sports delivered within the curriculum to the local competitions calendar to ensure a high attendee rate. There was a wide range of competitions attended which gave the children a focus during curriculum time and provided experience of competition against other schools.
