

Autumn term 2 - My Journey To...

Literacy

Year 3 will be learning about the features of warning stories, looking at Little Red Riding Hood and other well-known texts to help us to plan and form our own stories in the same style. Our non-fiction will be based on information texts, looking at the features of them and writing our own linking to other topic work.

Numeracy

I can recall the multiplication and division facts for the 3, 4 and 8 times tables.
I can solve problems, including missing number problems, involving multiplication and division.
I can solve problems involving multiplication and division, using materials, arrays, repeated addition, mental methods, and multiplication and division facts, including problems in context.
I can show that multiplication of two numbers can be done in any order (commutative) and division of one number by another cannot.
I can measure, compare, add and subtract: lengths (m/cm/mm).
I can measure the perimeter of simple 2D shapes.

Topic work/History

My journey on the railway! Children will discover the history of the UK railway systems and how it has changed over time. Armistice day will also be covered.
