

## Spring Term 1 Game Changers

### Literacy

Year 3 will be reading the book *The Iron Man*. We will look at descriptive language used to describe characters and settings. We will then develop empathy with characters by writing diary entries in role. Children will also read *The Iron Man* poem, perform it collaboratively to the whole class and then compare both texts.

### Numeracy

I can recall the multiplication and division facts for the 3, 4 and 8 times tables.  
I can solve problems, including missing number problems, involving multiplication and division.  
I can solve problems involving multiplication and division, using materials, arrays, repeated addition, mental methods, and multiplication and division facts, including problems in context.  
I can tell and write the time from an analogue clock, including using Roman numerals, 12-hour and 24-hour clocks.  
I can estimate and read time with increasing accuracy to the nearest minute.  
I can record and compare time in terms of seconds, minutes and hours.  
I can use vocabulary such as o'clock, am/pm, morning, afternoon, noon and midnight.

### Topic work/History

Year 3 will look at the Ancient Greeks. We will learn about the Ancient Olympic Games, Greek gods/goddesses, the Persian War, Greek mathematicians/philosophers and how Greece has changed over time.

### Topic work/Geography

Year 3 will learn how to use maps to locate countries in Europe (Greece and surrounding countries). We will then compare where we live to modern day Greece, focussing on homes, jobs, weather and physical features.

### ART/ DT

In year 3 we will be completing a whole class project creating a piece of artwork around the railway and train topic in history using a range of materials and techniques.

### Science

Year 3 will learn about forces and magnets. It will be linked through *The Iron Man* story as they will conduct experiments using different materials.

### RE

Chinese New Year  
Judaism- beliefs, bible stories, Moses

### SEAL

Going for goals.

### MUSIC

Children will listen to and find out the history of *The Beatles* and then compose a performance of one of their famous songs.
