### History

Year 3 will study the history of Chester Zoo. They will look at the family that founded the zoo and understand the timeline of events in the development of the zoo today. The children will enhance their learning with a whole school visit to Chester Zoo.

### Geography

Year 3 will use maps on atlases to locate different countries around the world whilst learning about their climates. We will then compare climates from different parts of the world and look how it allows for different habitats for different types of wildlife.

### ART/ DT

Year 3 will begin a project linked to the study of 'The Tin Forest' book. This will be an ongoing project across 2 half terms which will then be part of a whole school exhibition.

### Science

#### Year 3 will:

- Identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat.
- Identify that humans and some other animals have skeletons and muscles for support, protection and movement.

### RE

Year 3 will look at what makes a good leader. They will look at Moses as a significant person and leader in Judaism and compare him and his qualities to others leaders.
