

English.

Non-fiction:

We will find features of an information text and compare various texts. We will produce our own information text and ensure we include the features we have found from our sample texts.

Fiction.

We will be reading a range of fables. We will explore dialogue through drama as well as writing in the role of different characters.

History.

In our history lessons this term we will be looking at Tudors and Stuarts. We will explore how the Tudors impacted Britain.

P.E

Forest Schools- Taking part in lessons in the forest.
Games- Sports UK to deliver athletics and multi sport.

Westfield Primary Half term planning.

DATE: Autumn Term 2 2016-2017

CLASS: Larch

TOPIC: A Journey To...

TEACHER: Miss Thorbjornsen

Science.

We will investigate the properties of the three different states of matter: solid, liquid and gas. We will learn how to use thermometers to record changes and thus link this to our computing focus by recording the results using Microsoft Excel.

Geography.

We will comparing the United Kingdom and North America, we will be looking at the similarities and differences. We will look at maps, investigate population and also look at each countries traditions.

Mathematics:

In Mathematics this term children will be focusing on the following objectives:

- Multiplication (use place value, known and derived facts to multiply and divide, recognise factor pairs).
- Measurement, finding the area of a shape.

Art.

We will be creating a piece of artwork which will be displayed to the public. We will be focusing on shading.

Music.

We will look at high-quality live and recorded music. This music will be drawn from great English composers and musicians.

RE/SEAL.

This term we will be focusing upon Christianity whilst also looking at the Islamic faith as a comparison. Children will explore the different festivals that each of the two religions celebrates.
