English

Persuasive writing.

We will be looking at Bill's New Frock this term. Children will explore characters feelings and experiences. We will focus on how to make inference and support this with evidence.

Playscripts.

Children will write a dialogue, and explore tense and pronouns, before role-playing and writing short playscripts. Children will perform their writing to an audience.

Numeracy

In Mathematics this term children will be focusing on the following objectives:

- Recognise and show, using diagrams, families of common equivalent fractions.
- Solve problems involving increasingly harder fractions to calculate quantities, and fractions to divide quantities, including non-unit fractions where the answer is a whole number.
- Add and subtract fractions with the same denominator.
- Time- converting between different units of measure along with solving problems involving converting from hours to minutes etc.

History

We will be studying different game changers over recent years. We will also be looking at the history of clothing in Britain from 1066 through to the present day.

Geography

We will learn about key cities as well as exploring the seas that surround the British Isles.

ART/ DT

Making our own piece of aboriginal art.

Science

Living things and their habitats
Children will establish why classification of plants and animals is important as well as learning how to read and construct food chains and webs.

Computing

We will develop our understanding of interpreting data from spreadsheets along with analysing and exploring different spreadsheets. We will create our own using Microsoft Excel.

RE/SEAL

We will be focusing on Christianity whilst also looking at the Islamic faith as a comparison. We will also be looking at celebrations for Chinese new year.

MUSIC

We will look at high-quality live and recorded music. This music will be drawn from great English composers and musicians.
