

Year 4 - Larch Class - Summer 1 2017- Miss Thorbjornsen

English

Story writing.

We will be looking at Voices in the Park, we will interpret the books meaning through pictures. We will use our interpretations to produce our own story. We will focus upon the features of a story.

Newspaper articles.

Children will look at the features of a newspaper article. We will look at real articles and identify what we need to include in our own. We will then write our own article ensuring that we include all the features we have identified.

Numeracy

In Mathematics this term children will be focusing on the following objectives:

- Measurement: Perimeter and length.
- Identify acute and obtuse angles and compare and order angles up to two right angles by size.
- Compare and classify geometric shapes, including quadrilaterals and triangles, based on their properties and sizes.
- Identify lines of symmetry in 2D shapes presented in different orientations.
- Describe the positions on a 2D grid as coordinates in the first quadrant.

History.

We will look at the Viking raids and invasions.

Geography

We will look at settlers and land use.

ART/ DT

We will create our own piece of Norwegian art.

Science

We will be focusing upon sound. We will look at how sounds are made and find patterns between the volume of sound and the strength of the vibrations that produced it.

Computing

We will develop our understanding of interpreting data from spreadsheets along with analysing and exploring different spreadsheets. We will create our own using Microsoft Excel.

RE/SEAL

We will be looking at Islam and Christianity.
SEAL- Relationships

MUSIC

This term children will take part in African drumming.

PE
