

English-

Learning how to draft and re-draft pieces of writing.
Reading the story 'Clockwork' and studying the characters in it, and then writing our own stories filled with suspense.
Finally, we will be doing plenty of SATs revision.

SCIENCE- We will be studying light this half term-various light sources, how fast light travels, and how we use light to see things.
We will also be looking at reflection and how light is reflected off surfaces.

Maths- We will be learning about factors and multiples.
We will be learning about fractions, and simplifying them, adding and subtracting them, multiplying them and finally, dividing them too, and then using them to solve tricky maths problems.

R.E- Many different religious and non-religious festivals including Bonfire night, Remembrance day, Diwali, Al Hijra, Advent and Christmas.

ART-Taking photographs about our lives, and our journey from places around us.

P4C/PSHE-Anti-bullying- As it is anti-bullying week, we will be discussing many topics linked to that in our Philosophy for Children sessions.

COMPUTING- Creating our own maps, by using the internet and then using google maps to search places around the world.

MUSIC- Singing, mainly for our Christmas production, as well as learning how to perform in front of audiences.

GEOGRAPHY- Maps-we will be looking at maps, and how we can use them to find places and to get from somewhere to somewhere.

Forest Schools- Taking part in lessons in the forest.

Games- Sports UK to deliver athletics and mutli sport.
