

Literacy- We are focusing on non-fiction this half term.
Recounts-writing about events that have occurred, including our trip to Chester Zoo.
Writing our own information and explanation texts about various animals and how to look after them.
Putting a focus on sentence types using various clauses such as subordinate and relative.

SCIENCE- Classification.
Sorting animals and living things into different groups, including bacteria and algae!
Maths- Decimals and percentages.
Multiplying and dividing decimals by 10,100 and 1000.
Adding, subtracting and dividing decimals.
Finding percentages of numbers.
Taking percentages off whole numbers.

Geography-Biomes
Looking at what a Biome is , and the different ones on our planet.

P4C-
Discussing around the whole concepts of zoos, as well as returning to our P4C concepts of conflicts and refugees.

Computing-Using Google Earth to have a look around our planet, and what the different biomes look like from space.

PSHE- Going for Goals.
Creating our own achievable New Year Resolutions.

SPaG (Spelling, punctuation and grammar)
Putting more emphasis on sentence types and what they are used for.

E-Safety
There will be a big focus on this, including giving out a survey for the children to fill in, as well as looking at the NSPCC share aware videos.

Forest Schools- Taking part in lessons in the forest.
Games- Sports UK to deliver athletics and multi sport.

WESTFIELD PRIMARY SCHOOL
