

Literacy- We will be looking at Macbeth!
We will continue to work on our information texts for the first couple of weeks.
Then we shall move onto studying Macbeth, then finishing with some instructions based around magic and potions.
Another key learning area is synonyms and antonyms!

SCIENCE- Evolution and inheritance.
We shall be looking at Charles Darwin's theory of evolution, and talk about how we inherit traits from our parents.

Maths- Algebra-
Use simple formulae.
Generate and describe linear number sequences.
Express missing number problems algebraically.
Find pairs of numbers that satisfy an equation with two unknowns.
Enumerate possibilities of combinations of two variables.

Geography- Learn how to use ordnance survey maps and 4 figure grid reference.

History
The Norman conquest and how it changed British history.

Art- Basing our artwork around the festivals below.
Also learning how art can be therapeutic and calm us down-mindfulness.

PSHE-
It's good to be me!
Why it is good to be ourselves and how we are all different.

SPaG (Spelling, punctuation and grammar)
Variation of clause structure.
Expanded noun phrases.
Plenty of revision!

RE
Learning about the various festivals including Lent, Chinese New Year and Easter.

Forest Schools- Taking part in lessons in the forest.

Games- Sports UK to deliver athletics and mutli sport.
