

Literacy-

Beast Quest: creating our own beast and writing a Quest-style story about it.

Creature week: using the stimulus supplied in the forest, to write a scary story about a 'creature'.

Safari week: This is a week to write about certain animals and habitats.

SCIENCE- The human body.

The heart and the circulatory system: what blood is used for in our body.
The digestive tract and how food is digested.

Maths- Angles-Looking at missing angles.

Probability- Finding out probability of games and events whilst using the correct vocabulary.

Co-ordinates and translation/reflection- learning about placement of shapes and how to move/reflect them.

Music- Composing our own songs and lyrics, using David Bowie as an inspiration for peculiar lyrics.

P4C- Discussing many of the current global themes, as this is important all round knowledge that the children will need in life, and in High School.

Geography- Looking at each of the different continents in the world, and how they are different geographically.

PSHE- Changes-Looking at how we can cope with our big move to High School.

RE: Looking at creation stories based from Christianity and from other religions.

PE-Dance

Dancing to songs whilst being animals!
It's as interesting as it sounds...

Forest Schools- Taking part in lessons in the forest.

Games- Sports UK to deliver athletics and mutli sport.
