'Guess how many eggs' competition winner was Ramzi from Y5.

Congratulations!

# Westfield Primary School

Welcome back! It's the summer term and the sun is shining.

It has been lovely to hear all the Easter holiday news and how families have been enjoying the further easing of lockdown restrictions. With that in mind, all Covid-19 procedures and risk assessments still remain the same in school, including face masks. I am hoping that before we break for the summer holiday, we will be able to hold some of our end of year events. I will keep you updated.

Parents evening/phone call times will be released this week via School Spider. Following our recent baseline assessments, this meeting is for you to discuss your child's current attainment and progress in Reading, Writing and Maths. Unfortunately, we cannot accommodate face to face meetings. Please sign up for an appointment as soon as possible.

Take care, Miss Pope.

## Star of the week 1st April

Willow - Riley Jones

Cherry - Ella Sunter

Maple - Jessica Harkness

Larch - Jasmine Ashton

Birch - Flynn Tinker-Caldwell

Oak - Noah Tinker-Caldwell

Tidiest Classroom - Willow

Lunchtime award - Larch

## Attendance 1st April

Willow 93%

Cherry 94%

Maple - Remote learning

Larch 95%

**Birch - 98%**

Oak 90%

Well done to Birch Class with 98%

*Promoting independence, individuality and an inquisitive mind.*

# NEW SCHOOL PROJECT

This last year, being in classroom bubbles, made us more aware of how valuable and precious our outdoor space is. I wanted to share with you some of the projects we have developed for your children.

- We used our sports premium funding this year to purchase a multi use games area for the KS2 children.
- As well as continuing to develop our forest school area we have now designed a 'Westfield Orchard' area towards the back of the school. This includes a successful bid for 14 fruit trees from 'The Tree Council' and a donation of extra fruit trees from the PTA.
- Before lockdown we created a vegetable garden (remember the huge pumpkin) and this has been 'restocked' by Craig our gardener. The children will be involved in the growing and harvesting.

Taking the classroom outside is one of my biggest passions. The benefits of outdoor learning are huge and include, connecting with nature, appreciation of natural surroundings, providing practical experiences alongside improved health, attainment and behaviour. We have an area of space on the school grounds which lends itself to becoming an excellent spot for an outdoor classroom. Clearly this comes with a cost and the funds will be raised by our school community. I have set a goal of 12 months to raise the money and have an amazing facility built on our grounds. With the help of the school council, the children will have the final say on what they would like. Possible ideas below!

## Dates for the diary

Monday 26th April - Friday 7th May - Parent progress meetings via telephone

Monday 3rd May - Bank holiday/school closed

Thursday 6th May - INSET day/school closed
