Birch - 98.1%

Oak 97.0%

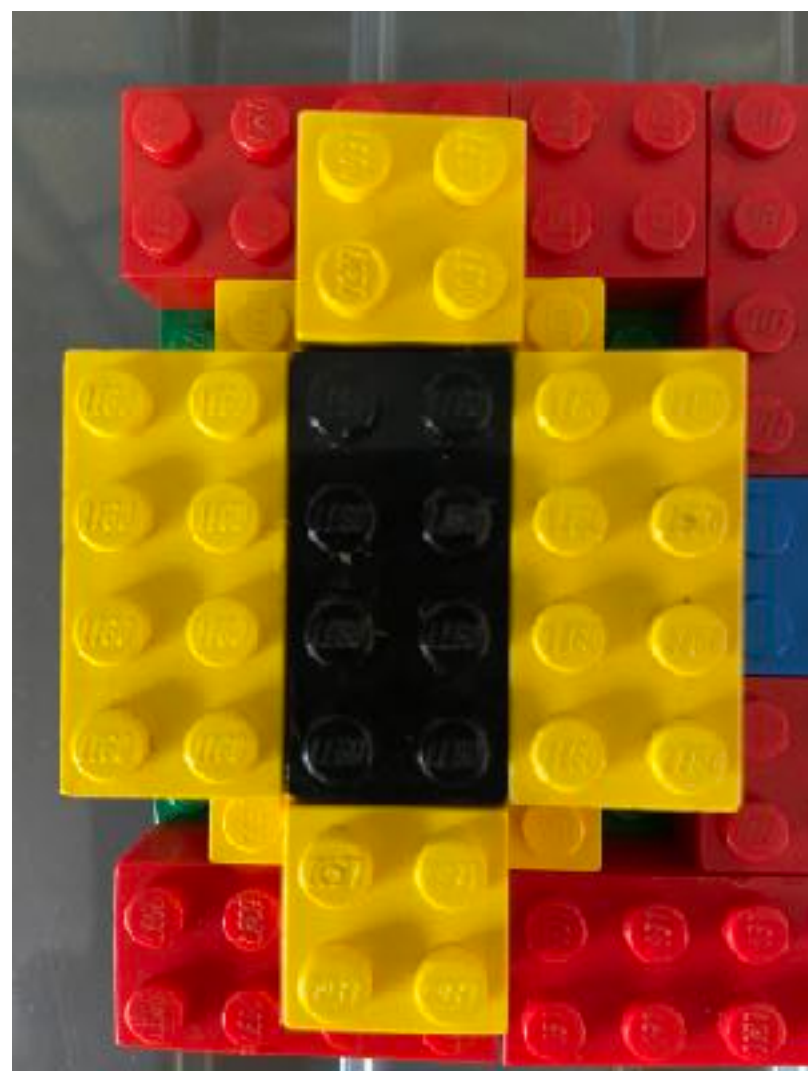

Well done to Birch Class with 98.1%

Promoting independence, individuality and an inquisitive mind.

Our sunflower day was a success. The children from Cherry, Maple and Oak class really enjoyed their session with Craig our gardener. If you plant your sunflower seed, please send us updates. If you need any more seeds then please ask.

Just a few pictures from the day.

OUTSTANDING HOMEWORK FROM YEAR 2

"During this half term Cherry Class have been studying the work of Andy Goldsworthy. He is famous for his sculptures. They have studied some of his most famous pieces and have been working towards creating their own in class. As a homework challenge, the children were set the task of recreating some of his pieces. It was a completely open ended task, they could use any medium of their choosing. The results were amazing. Objects used ranged from lego, to pasta, to jewels to sweets. The results were so creative and full of talent."
