## WILLOW CLASS

All of the children in Willow Class have made a great start to our new school year!

We have enjoyed exploring our classroom and outside, making new friends and learning some new P.E. skills with our new P.E. coach.

We have read 'Owl Babies' this week so ask us all about it!

## CHERRY CLASS

Welcome to Cherry Class! This week Cherry Class have been to the firestation.

We have harvested lots of different vegetables. We have grown beetroot, carrots, tomatoes, onions and chillies. Year 2's have enjoyed their first visit meeting Tommy. We washed our vegetables when we came back to school.

## LARCH CLASS

Welcome back Larch Class! For our first fun week back, we have been settling into our class routines and getting used to our new timetable.

We have been rocking out to the 4 times table, and designing our own System Teddies with inputs/outputs in computing.

## OAK CLASS

We have had a fantastic start to the year in Oak Class! This week, we have started our new units of learning in all areas of the curriculum; including attending our first swimming lesson!

In our English lessons, we have been looking at daredevils and what it means to be remarkable. We have also experimented with continuous line drawings in art as well as investigating IP addresses in our computing lesson.

We are really proud of everyone's positive approach to learning. Well done Oak Class!
