Larch Class trip to Norton Priory

18TH OCTOBER

Year 6 SATs meeting

WESTFIELD NEWS

6TH OCTOBER 2023

WILLOW CLASS

We've had fun writing our own mini books this week and learning new words from one of our stories 'Elmer'. This week's story is Six Dinner Sid! Ask your children about that greedy cat! In Reception, we've been securing numbers 3 and 4.

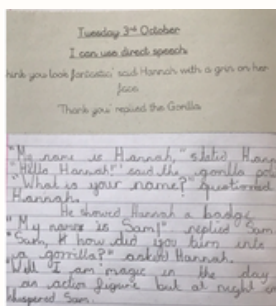

CHERRY CLASS

In Cherry class, we are beginning to write our own version of 'Troll Swap'. We have been creating our own characters and writing a description. The children have been really creative and have written some brilliant adjectives to describe their character!

LARCH CLASS

Pathways this week has been writing speech using correct speech punctuation. We have also been practising our still drawing-we have been drawing some random objects on our tables in preparation of painting those pictures.

OAK CLASS

In our science lesson this week, we carried out an investigation involving eggs in order to demonstrate the process of diffusion and osmosis. We used our enquiry skills to observe and record the changes that happened to the eggs. Great job Oak Class!!
