Miniature Gardens

Congratulations to Noah and Flynn, Harley and Archie for their garden entities. All are winners and received their well deserved prizes today.

And finally from me,

I want to thank you for another successful year. As parents and carers, you have all supported the school immensely, through lockdown especially. It has been a year like no other, but what I am most proud of today, is seeing the group of young ladies and gentlemen in Year 6, leave us with pride, ambition and personal growth. From us all, we wish them the very best for the future.

I also thank all of the staff and governors at Westfield as their dedication to the children is outstanding.

What will September bring? As a Covid enhanced support area with cases still rising, yet to reach the peak, no one can predict what local measures will look like in September. From the 24th August, please keep a close eye for notifications on the school spider app/website for updates on starting back in September.

I wish you a lovely summer and look forward to seeing you in September. Take Care. Miss Pope.
