↩ **Willow Class**

What a wonderful week we have had in Willow! So much fantastic independent learning is taking place.

In the Creative Area, the children have been using the junk modelling to make a suitcase and binoculars for Hattie Peck to take on her journey. The children have created story maps in the writing area, creating their own stories for Hattie Peck.

⇒ **Sycamore Class**

In our DT lesson this week, Sycamore Class brought their castle designs to life! We constructed our castles from coloured card; creating 3D shapes and adorning our creations with decoration. The children worked very carefully to ensure that their structures were secure. Can you name any of the castle features that we included?

⇒ **The Governing Body**

Mrs L Farrow - Chair of Governors

I joined the Governing Body as a Parent Governor in March 2018 and became Chair of Governors in May 2019. I have two children who attend Westfield Primary School. I am a Civil Servant where I'm currently working to ensure that Digital technology is underpinning the EU Exit and European Trade programmes. I have a career background in managing people, auditing and managing third parties within the IT arena. I initially became a Parent Governor as I'm particularly interested in improving the provision of education and outcomes for all children and ensuring that all children can achieve their potential. I am very proud to be part of the Governing Body at Westfield where we are working as a team to drive forward all the changes and improvements that the school needs.
