Easter 2024

Thank you to all our families who have supported our events over Easter.

The winners of the decorate an egg competition are -

Loui (Willow Class) and Oliver (Oak Class)

It was lovely to see lots of families supporting the PTA bingo, we raised £450.

Monday 22nd April - Year 5 and 6 girls football event (selected pupils will be taking part)

Tuesday 23rd April - Cherry &

Sycamore Class trip to The Blue Planet

Willow Class News

What an egg-citing week we have had in Willow!

The Easter Bunny left us some Easter eggs and chicks in the Maths Area! We have had lots of fun recognising numbers, counting out the corresponding number of chicks into the eggs and using our eyes and subitising with the eggs!

We have been busy creating lots of Easter crafts, using a variety of materials and media. Our favourites were the Easter cards for our families and the Easter Bunny ears for our Easter performance in Church. The children are excited to perform the Easter songs for families in Church.

The children have been writing their own versions of The Journey home with Hattie the hen going on lots of adventures. Hattie even went on an Easter Egg hunt and collected lots of eggs!

Then we finished off our Easter week by reading the story "We're Going on an Egg Hunt" and went on our very own Egg Hunt in our outdoor area!

We have had such a wonderful half term in Willow. Thank you for all of your continued support. Happy Easter!

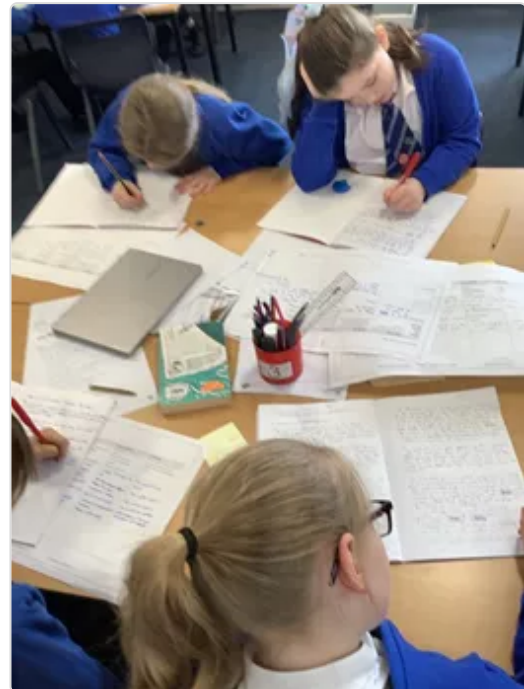

↩ Cherry Class News

In Year 3 and 4 Science we constructed rafts and tested them to see how many marbles they could hold before they sank! We had a great time working with a partner to combine our ideas and discuss why some worked better than others.

↩ Larch Class News

We finally baked our biscuits! Hop on over to our 'x' feed to have a look at a couple of pictures. We also finished our writeaway task this week, and had a great go at using commas, brackets and dashes for parenthesis to finish our half term off. See you after Easter!

↩ Oak Class News

We have had another busy week leading us up to the Easter Holidays. We have continued to investigate electrical circuits by adding and removing components. We have also been practising our Easter Service songs, prayers, poems and quiz questions to share with parents and carers on our last day, our voices have sounded beautiful! Wednesday ended with a special treat being delivered to class, our last ever Westfield Easter Eggs.

We have had a brilliant week in the run up to Easter. We have completed lots of Easter activities; including making some chocolate cereal cakes. We had a great time working with our friends to melt the chocolate and mix the ingredients together. We added some marshmallows as an extra treat. I'm sure you will agree that they look delicious!
