Time for the kids to go back to school

Is it time for you to get ready for work, training or volunteering?

Let the Citizens Advice Halton **GROW** project help you take time for you - to build your confidence, skills, and to help you on your next steps whether that's towards work, volunteering or training...

GROW is for people who are 18+, living in Halton, and not in work, education or training.

To find out more about how **GROW** could help you, speak to one of our friendly team on **0151 257 2443** or email us at **grow@cahalton.org.uk**.
