**Assembly theme**

**This week we are learning about  
the Jewish festival of Yom Kippur.**

# Westfield Primary School

## Welcome back

I am delighted to be starting my 3rd year here at Westfield with some normality back in and around school. The children have returned refreshed and ready to learn. In order to try and still limit an outbreak of Covid-19 across the school, we have 3 phase groups, Early years/Key stage 1, Lower key stage 2 and Upper key stage 2. The phases have lunch, playtime and assemblies together. As the term goes by, I am hoping that events involving parents will be able to start again. I am planning a Harvest Assembly for parents in October and it will be lovely to invite you back inside school.

I would like to say a warm welcome to our new reception children and their families along with the many families that have joined us across the school. The children have had a lovely start to their Westfield journey and enjoyed making new friends and getting to know their teachers.

Our drive to improve our school continues this year and on the back of 2 OFSTED inspections last term, we look to address the actions identified as well as sustain the good work we have completed over the last 2 years. Our vision to provide your children with highest quality education alongside enabling them to grow as independent individuals is at the forefront of everything we do and every decision we make.

I look forward to another successful year and thank you for your commitment to our school.

Miss Pope

## Start of term reminders.

School opens at 8:40am.  
Children need to be in class  
by 8:50am.  
Gates close at 8:55am.

PE kits in school every  
Monday and brought home on  
a Friday.

School photographer in

Thursday 21st October  
Harvest festival assembly for parents

Friday 22nd October  
School closes for half term

Tuesday 2nd November  
School opens

24th - 26th November  
Robinwood residential for Year 6

This Friday, the children can wear jeans with their school uniform in return for a small donation to the charity Jeans for Genes. This is a national charity that supports individuals and families affected by a genetic disorder. All money that is raised for this charity is used to fund the work of the charity and provide grants to organisations for projects that aim to transform the lives of children with genetic disorders.

Each week, during our collective worship, the children will be learning a story from the bible and a traditional hymn. I will share with you the titles as you may wish to ask your child about them.

Story - In the garden of Eden

Hymn - Thank you lord for this new day

*Promoting independence, individuality and an inquisitive mind.*
