⇒ **Willow Class News**

The children really enjoy our PE sessions with our PE coach, Mr Kelly-Weekes. This half term in Willow class, we have been developing ball skills. The children have developed their coordination and control, worked as a team and realising that taking part is just as important as winning!

Cherry Class News

This week we have developed our pieces of music by including drums alongside our glockenspiels. We built on our Indian 'rag' and 'drone' pieces of music to add in a 'tal' by using a drum. We practised a 'tin, na, dinh' pattern on our drums then improvised our own sequence to pair with either the drone or the rag in partners to create a full piece of music. Next week we will complete this music unit by playing a piece called Anile Vaa.

Larch Class News

We have been writing letters this week that we are hoping to publish. They are letters that are stressing the importance of protecting the Coral Reefs, and how that if we do nothing, the Coral bleaching will continue. Coral bleaching is what happens to coral when it dies!

Oak Class News

This week saw our final SATs booster session for the Year 6s. Well done for your hard work and commitment each week. We have also been spending this week on our final revision activities and getting prepared for our SATs week, starting next Monday. We all wish the pupils lots of positive thoughts and luck, knowing that we only ask that they try their best.

↩ Cedar Class News

We've had a busy week in Cedar class learning new sounds, finding flowers, planting seeds and showing how one person can look like three different people in preparation for our work on the trimurti in Hinduism. We are so proud of every child in Cedar Class, how well they've settled and how much progress with communication they are making.

↩ Sycamore Class News

We have had a lovely week in Sycamore. The building work continues outside of our classroom, so we remain based in Beech class until further notice. The children have enjoyed our practical lessons this week; taking our learning outside whenever possible to enjoy the sunshine! We have made really good progress with our knowledge about length and measure in maths - the children have enjoyed using a range of equipment to measure length using mm, cm and m. Well done everyone!

↪ Daily Reminders

Water Bottle

Snack

Planner

Packed Lunch or Pre-order school meal from School Hub

www.schoolhub.co.uk

↪ The Governing Body

**(Co-Opted) Appointed 22/06/2021 until
21/06/2025 Elected by the Governing Body
Chair of Resources Committee**

*School Governor at Westfield for approx 30
years, Retired Analytical Chemist,*

Photographer and Former Pension fund Trustee

*I worked in what was ICI and its sold off businesses for 44
years, working in the laboratories at Runcorn Heath,
Castner Kellner and Rocksavage Works. I have now turned
my Photography hobby into a part-time business. I was*

first a governor at Westfield Infants as an LEA representative about 30 years ago, with Mrs Ruben as Head teacher. I joined the junior board just before the Merger when Mr Giles retired. During the merger I was appointed to the special board to oversee the merger to become a primary school. I have 4 children all of whom attended Westfield, and I now have 5 grandchildren, who all live outside the Westfield area. I had a short time after 2010 where due to health reasons I had to stand down as governor. I have been a union representative for 35 years and I am currently on the NWTUC Executive committee, through my role as Secretary of Halton TUC.
