↩ **Willow Class**

We have been sharing and celebrating our learning this week in Willow Class. It is always so lovely to share with each other what we have enjoyed learning about, talking about what we have been doing and the experiences we have had. These help us to develop our Communication and Language skills and consolidate our learning. Just look at some of our wonderful work based on the Julia Donaldson story 'What the Ladybird Heard.' The children have enjoyed a range of activities including, writing about their favourite character from the story, making playdough models of the ladybird and creating their very own sparkly ladybird! Well done Willow Class!

↩ **Cherry Class**

In art with Mr Usher, Cherry Class have been building abstract sculptures. They have been using cardboard, paper and paint. We can't wait to see the finished projects!

⇒ **Larch Class**

We have been learning so much about the Coral Reefs this half term, and have produced a lovely display of writing! The writing is about different ways that we can save the Corals from disaster- we will be finishing this topic next week.

⇒ **Oak Class**

The Year 6 pupils have worked extremely hard this week, showing resilience and determination. They have tackled each SAT's paper head on and given support to each other throughout the week. The whole school is very proud of each pupil. To celebrate our hard work, we enjoyed: a special treat lunch, outside play, board games, drawing and quizzes. Well done to Oak Class.

⇒ **Sycamore Class - KS2 Speech & Language Base**

This week, we have been completing lots of practical learning activities. This has included making cookies; planting sunflower seeds and visiting the library. The children have produced some fantastic work in response to these activities - well done everyone! In other exciting news, our outside area is nearly complete. We have moved back into our classroom but we will continue to use the main KS2 entrance for next week.

Every Saturday at 8pm the numbers are drawn and posted online. Winners are notified by email and winnings paid into the account of your choice.
