**Westfield Primary School - News and Information - Issue 35 - 10/07/2019**

**CHILDREN'S COMMENTS**

*"In my past school year I have accomplished quite a lot, especially in Maths. I finally understand how to do algebra and luckily enough, it all happened right before I did a Maths test! I know, amazingly lucky, right?"*

*Anyway, the thing I enjoy the most is P.E. There's lots of games, working together, and best of all, exercise. Now I don't have to go home and run around the block. This school is the best!"*

Ellie, Year 6

**GO RUN FOR FUN**

Our children in Year 2, 3, 4 & 5 recently took part in a 2 kilometre GO Run For Fun at the Heath Park. The fastest girl was Tamzyn from Year 5. The fastest boy was Ben also in Year 5 and as a reward he was allowed to ask Olympian Naomi Ogbeta a question about how she prepares for a race. All of the children that took part did really well.

**RUNCORN CUP**

Ten children from Year 5 & 6 recently competed in the Runcorn Cup football tournament at The Heath School. The team played really well getting as far as the quarter finals.

**Well done to our Footballers!**

**PTA NEWS**

The PTA are asking parents if they have any items of school uniform that their child doesn't need anymore or that they have grown out of, and are still in good condition.

They will then sell them to any parents that may wish to purchase them for a small fee per item. So please make sure that they are washed before you bring them in.

Also, the PTA have an AGM on Monday 15th July at 6.00pm. All parents & carers are welcome to attend the meeting and join the PTA.

**BRASS CONCERT**

A group of Year 5 & 6 pupils took part in a Brass Concert on Wednesday 26th June at the Foundry in Widnes. **Well Done to all involved.**

**REPORTS**

Reports went out to Parents and carers on Friday 12th July.

**WATER BOTTLES**

We have had a number of children recently that haven't brought in their water bottles. We are reminding parents to make sure that their child has a water bottle to bring into school, especially as the weather is very warm at the moment. Children can then refill them at various water coolers in the school when they need to therefore preventing dehydration. If your child hasn't got one, school has some available to buy for £1.25 each in the Office.

**SUN SAFETY**

We would like to remind parents to send children to school with a hat, and to remember to apply sunscreen before they bring children into school.

**FAMILY LEARNING**

We recently ran a Family Learning session for parents of children in **EYFS, Year 1 & 2**. The topic was Summer Fun and we had a good response from parents that attended.

We will be running another Family Learning session about Science on Thursday 26th September for parents of children in **Year 1 & 2**. We will have more information in the first week back in September.
