Food Glorious Food!

Hello

I was very fortunate to accompany Beech Class on their outing to the fire station. The purpose of this trip was to harvest the vegetables that the children had planted and they were thrilled with the produce they picked! Once back in school, the children prepared the vegetables and Miss Wright in the kitchen worked her culinary skills and created the most wonderful dishes for the children to taste including vegetable and chicken stew and my favourite, rhubarb crumble! Thank you to staff at the fire station as they ensured a successful harvest for the children.

Our local PCSO popped into school. He will be patrolling around the area monitoring parking at the start and end of the school day. For your children's safety, please park in an appropriate and safe space. Thank you.

All children in Reception, Year 1 and 2 are entitled to receive a free school meal. We strongly encourage you to also complete a free school meal application form as each child eligible based upon parental income attracts a Pupil Premium cash amount for our school. If you think you qualify or want further information please call into the school office or click on the link.
