Poppy Project

This year, pupils at Westfield have taken part in a community project at Runcorn Shopping City. The children have created individual poppies using mixed media to display in their annual 'Remembrance Garden'. Our poppies have been displayed amongst the work of Halton residents and other schools in the Community Square during the month of November. The poppy tribute serves as a symbol of remembrance for all the soldiers who died in World War 1 and all servicemen and women who have lost their lives in all
