Well done Maple Class!

In school we have introduced a Pen Licence.

When the children believe that their handwriting and presentation is perfect they have the opportunity to come and show me. Once awarded with a Pen Licence they can then write in pen! This week I have awarded 5 children with a Pen Licence badge. Congratulations to Bethany, Annabelle, James, Mason and Abigail.

Attendance Matters

Every student. Every day.

A drive to improve pupil attendance is a focus for our school. I am delighted to say that 64 children received recognition for 100% attendance for Autumn 1. Well done to the children and their families for their commitment to their education.

I know that this term can be a difficult one with dark mornings, winter blues and runny noses. We want your children to be in school everyday and on time. If your child requires prescription medicine then we can administer this once a form has been filled in at the office.

HOW IS WESTFIELD PRIMARY SCHOOL MOVING FORWARD?

My wish is to keep parents updated on the progress our school is making towards the areas for development mentioned in the OFSTED report. The inspection team identified that pupils knowledge of British Values is sketchy. What are we doing? We have adapted our timetable and now have weekly sessions focusing on one of the 5 values including Democracy, Rule of Law, Individual Liberty, Mutual Respect and Tolerance. This half term the children will be gaining an understanding about Mutual Respect.

HOW CAN I HELP?

Talk to your child about Mutual Respect. What is it and how do we show it in our daily lives?
