The children had an amazing time on the Y6 residential at Robinwood Activity Centre. It was so lovely to see the children being challenged and growing in confidence. We will shortly be sending out the details to our current Y5 children for next year.

Y5 children, if you are unsure if it is for you then here is some feedback from our Y6 children.

“It’s fun as you get to go on a giant swing, zipwire and treetop high ropes!”

“It’s amazing spending time away with your friends and the breakfast is tasty!”

Schools have reintroduced face coverings where social distancing cannot be guaranteed therefore I am asking for all parents (unless exempt) to please wear a mask when picking up and dropping off. Thank you.

Well done to Riley Pilling who had his first football match for his new team. An absolute star in goal, saving many attempts and helping his team to victory. Great work!

Promoting independence, individuality and an inquisitive mind.
