

Thank you Abigail, Heidi, Mason and Mrs Shepherd. Our tree looks amazing, especially when the sun shone through the church window just at the right time!

Congratulations to Erin and Ella who have been awarded their pen licence this week.

Attendance Update

Willow 90.1%  
Beech 94.8%  
Maple 94.9%  
Larch 91.4%

FS/KS1 PERFORMANCE - 1:30pm  
KS2 PERFORMANCE 6pm

11th December 2019  
Christmas Dinner  
Christmas Bingo 5:30pm

12th December 2019  
Polling Day - School OPEN

Oak Class had a fantastic day visiting Halton Castle and Norton Priory. During the morning session, we had a tour of the castle and despite the rain, we thoroughly enjoyed ourselves. In the afternoon, we learnt some interesting facts about our local history and heritage as well as having the opportunity to look at some historical artefacts.

HOW IS WESTFIELD PRIMARY SCHOOL MOVING FORWARD?

OFSTED remarked that the learning outside for Early Years is improving. I wanted to share with you a high quality learning experience I saw led by Mrs Berry. The children were enthusiastically engaged in hunting for picture clues in and around the outdoor provision. Once the eagle-eyed, little explorers had found a picture they used their phonic knowledge alongside 'robot arms' to sound the word out and then write it on the floor. The children had strong phonic knowledge and relished in the opportunity to mark make on the floor.

Great work Willow class!

HOW CAN I HELP?

Ask your children about 'robot arms'. Can they sound out Christmas themed words?

Children ....Watch out for Wilson the Westfield Elf who will be joining us on Monday.

I hope he will follow our school rules and be ready, respectful and safe!
