# School Council News

## Advanced Parent Notice

Mrs Havard has met several times with our School Council and one of the agenda items discussed recently - how well morning snack works in our school? At the moment the children are able to buy toast and juice from the kitchen. The children conducted a survey in their classes to decide if pupils would like to continue with toast, bring their own snack/water bottle or have no snack at morning playtime. 82% of the pupils opted for bringing their own snack. I am happy to support the children's wishes and allow them to bring their own snack to school however we have agreed that as to maintain being a healthy school, the snack will need to be under 100 calories and sorry no nuts. We have given notice to Dolcie who provide the toast and juice and thank the staff for their service to the school. Therefore, as from after the half term holiday (24th February 2020) the children will be able to bring their own morning playtime snack. Toast and juice will no longer be served. I believe that this will be a cheaper option for parents, stop money getting lost and also allow teachers time to work with children in the morning instead of collecting money in.

I welcome any feedback and have also searched for some snack ideas for you.

*This does not change Reception children's entitlement to free milk until they turn five or Reception/KS1 children's entitlement to a piece of free fruit.*

# Westfield Primary School Weekly Newsletter

17th January 2020

### Dates for your diary

21st January 2020

Smoke tent session with all Year 5 Children

21st January 2020

PTA meeting at 3:15pm

22nd January - 24th January 2020

Robinwood Residential Trip

28th January 2020

Parent Coffee afternoon at 2:30pm

The children will depart for Robinwood on Wednesday 22nd January and I have everything crossed that the weather stays nice for them.

We will update you as much as we can on their adventures and I will be going over on Thursday to see how they are all getting on.

Have a great time everyone!
