Can you help?

Attendance Update

Willow 98.4%
Beech 96.9%
Maple 98.2%
Larch 97.5%
Oak 99.7%

Whole School 98.1%

This is now our best attendance percentage!

Well done OAK Class! 2 week on the run!

Life is better when everyone can read well and express themselves confidently.

If you're looking for a really rewarding volunteering experience and to be part of our school community then become a reading helper at Westfield Primary.

As reading helper you'll pass on your skills and experience, making a lasting difference to the children at our school.

If you have a spare hour or perhaps even half a day and would like to become a volunteer reading helper then please call in to the school office and let us know you are interested. DBS checks and full training will be given.

You will be.....

- Improving our children's attitude to reading
- Increase their confidence
- Developing their enjoyment of reading

Westfield Primary School Weekly Newsletter

24th January 2020

Britain Get Talking

Britain Get Talking is an ITV Mental Wellness campaign to help families get closer. Anxiety and depression in children have risen by 48% since 2004.

But talking and listening can build mental wellness.

With this in mind I am introducing 'Time to Talk'. Each week I will add a discussion task on the newsletter and all I ask is that as a family you pause and get talking.

This weeks Time to Talk is....

If you could be a cartoon character for the day, which would it be and why?

Dates for your diary

28th January 2020
Parent Coffee afternoon at 2:30pm

Come in from the cold and have a warm drink and a sweet treat before bedtime. Helen and Phil will be available if you have any questions or need advice regarding home routines, parenting or behaviour.

Changes to snack

Just a reminder that after February half term children can bring their own **under 100 calories snack** to school. Toast will no longer be an option.
