Perfect Parking

For the next two weeks we have a few new plastic pupils joining us!

In order to raise awareness of safe parking at the beginning and the end of the school day our new characters will be out on the pavements around school. We have had near misses in the past and it takes only a second for a child to be in danger. We are working with the local PCSO and Halton's Road Safety team to help protect our children.

Meet our school road safety officers Ben and Lois who have been monitoring parking and have also drafted a letter to the highways agency requesting road markings outside our school.
