## Arts Exhibition

Your children have been busy creating a stunning display of art work linked to Tokyo 2020.

Their work will be displayed in the Runcorn Shopping Centre from the 10th - 28th February.

In response to parents asking if children have an opportunity to share their worries, each class now has a worry monster. The idea is that if a child has a worry they then draw or write it down and feed the monster! Worries will be monitored by staff and acted upon with sensitivity.

### Changes to snack

Just a reminder that after February half term children can bring their own **under 100 calories snack** to school. Toast will no longer be an option.
