School closure update

Like yourselves, we only heard the announcement last night and at this stage I sadly cannot answer all your questions. We have many too. All schools are waiting to receive more information from Government and Local Authority about what this means for our school, especially for Reception/Y1/Y6 children. In the short-term, nothing has changed and I will provide further information in the coming days and weeks once I am able to do so.

PTA Westfield Foodbank

Thank you to the PTA who have kindly set up a Foodbank for our school.
Feel free on your daily walk to come past school gate and take or donate.

Toys, games and book Swap Shop

Mrs McIlroy noticed on her daily walks that some families had set up toy swap shops at the end of their driveways.

We thought it would be nice to set up our own at the school gates.

We are looking for donations and you are more than welcome to come and swap!

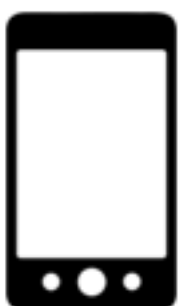

Westfield Primary School Lockdown Newsletter

11th May 2020

Message from Mrs Davies to the Year 6 children.

Today was supposed to be the start of your SATs. I know that you all worked incredibly hard to prepare for them. All of your hard work NEVER went unnoticed and I am proud of each and every single one of you. So, this week, instead of nerves and worries, let's remember it as a week full of happiness and smiles. A time in our lives that we got to spend at home with our loved ones. Take care, Mrs Davies.

Family phone calls

Last week we made catch up phone calls and it was lovely to hear how well you and your children are doing during the current situation.

If you missed our call we will try again this week.

Has your child been able to log on to Times Tables Rock Stars?

If not please contact the school office.

Thank you

Mr Parker
