

BUBBLE 4

Your teacher is Mr Parker

Hi everyone I am really excited about teaching Year 1! We will have a great time with plenty of fun and learning.
Take care.

This is your classroom. You will stay in here with some of your friends.
Not all your friends will be in your class.

You will have your own place to sit with your own tray full of the things you need in school.
We will not share our things.

In school, imagine you have an invisible bubble around you. You cannot go in your friends bubble and they cannot go in your bubble.

You only need a water bottle in school.

Some children and grown ups might wear a face mask in school.
You will be asked not to touch your face.

You will need to wash your hands.

You will have your lunch in the classroom.

We will keep your classroom and the toys really clean.
