

BUBBLE 5

Your teachers are Mrs McIlroy and Miss Evans.

'Hello to everyone in Bubble 5. I am very excited to see you all again and hope that you have been enjoying your time at home and learning new things. School will look a little different to when you were last in but we have a lot of fun activities planned for you and will help you to know about the changes in school. See you soon! Mrs McIlroy'

Dear Children,
The school day will be new, changes we will talk you through, one thing hasn't changed - it's true, we cannot wait to see you!
from Miss Evans

This is your classroom. You will stay in here with some of your friends.

Not all your friends will be in your class.

You will have your own place to sit with your own tray full of the things you need in school.

We will not share our things.

In school, imagine you have an invisible bubble around you. You cannot go in your friends bubble and they cannot go in your bubble.

You only need a water bottle in school.

Some children and grown ups might wear a face mask in school.

You will be asked not to touch your face.

You will need to wash your hands.

You will have your lunch in the classroom.

We will keep your classroom and the toys really clean.
