Dear Parents/Carers,

At a recent school council meeting the pupils have discussed possible changes to our school uniform.

In response to this we are reviewing our school uniform policy, so we can be sure we are securing best value for money for parent/carers.

We are proposing the following changes to our policy:

WHAT WE'D LIKE TO CHANGE	WHY
Pupils will no longer need to wear a cardigan or jumper with the school logo	This will reduce the cost of school uniform as most supermarkets sell royal blue jumpers and cardigans.
Pupils will no longer need to wear yellow polo t-shirts.	This will be replaced with a white shirt (either long sleeved or short sleeved) The cost is similar to polo tops but easier to purchase as widely available in all supermarkets.
New School Tie	The PTA will purchase all pupils their first tie for the proposed change over in September 2022. Ties will then be available to purchase from school or a local shop.
Removal of school logo – PE tops/book bags	The school logo will be removed from all items of uniform from September 2022.

We would like your feedback on the proposed amendments to the policy.

We would like to invite **everyone** to take part, even if you don't have any comments about the changes.

Please **complete our online survey** in school spider so you can:

Give feedback on each proposed change to our policy

Suggest additional changes to the policy

Indicate any proposed changes you think we should discard

Any other comments

You can access the survey via the parent area of the school spider app.
