

Any comments or questions please email me or make an appointment at the school office. Thank you.

Miss Pope

sec.westfield@halton.gov.uk

On Monday, I will be sending out a letter to you all outlining the plans for September with regards to staffing and classes.

Dear Parents and Carers

We have welcomed back some of our children this week and I have to admit, it has been (in a great way) a little emotional for us all!

It has been wonderful seeing how the children have come with smiles on their faces and an eagerness to get back to normality. The measures we put in place have worked really well and I would like to thank everyone for adhering to our new way of life!

For the children who have not return to school, I thank you for continuing with your home schooling. The staff have been keeping up with your progress and this week we have sent out home learning awards via email.

Take care, Miss Pope

Bubble News

Bubble 1 - Key worker group

We have adapted really well to our new school routine. The mixture of ages are now forming new friendship groups and have given each other encouragement and support. We are following the home school learning packs and have had really fun afternoons, ranging from baking to art activities and creating our own sports challenges. Each child reads to an adult everyday. We look forward to 'Film Friday' as a reward for all our hard work.

Mrs Berry, Mrs Thomson and Miss Woods are extremely proud of Bubble 1.

Westfield Primary School Weekly Newsletter

26th June 2020

Bubble 2 - Mrs Davies

We have settled in to bubble life incredibly well over the last few days. The children have been both mature and positive about our new "normal". Everyone has immersed themselves into our learning, showing a particular interest in our plastic pollution focus. We have, of course, taken the opportunity to enjoy the sunshine and catch up with each other too. I'm incredibly proud of all of the children – well done Bubble Two!

Bubble 3 - Mrs Havard

Bubble 3 have settled back in to school brilliantly well with a great attitude to learning, sensible attitude to new routines and procedures and smiles on their faces (except when we experienced a few little nettle stings - sorry). We've started some English and Maths, as well as doing some debating about zoos and having fun (bar the nettles) in the forest.

Bubble 3 - you really should be extremely proud of yourselves and it is truly lovely to have you all back!

Bubble 4 - Mr Parker

Bubble 4 have had a fantastic week learning about capacity in maths, and learning about the deep sea in our English. We have also been making kites which hopefully we can take home next week!

I am so proud of how hard we have worked on following our new rules this week, and the children have settled ever so well.

Mr P

Bubble 5 - Mrs McIlroy and Miss Evans

We are extremely proud of how well the children in Bubble 5 have settled into their new routines and environment. This week, the children have been busy continuing with their English and Maths learning and have enjoyed our book, Somebody Swallowed Stanley. They have used their imaginations to build fairy dens in the forest and have found some excellent hiding spaces when playing hide and seek. The children have loved being able to play with their friends, helping each other to build train tracks, car ramps and tunnels and creating dinosaur worlds.

Even though school looks and feels a bit different, the children have adapted brilliantly and are showing great resilience.

Well done Bubble 5, you are all superstars!

Other News

Summer Reading Challenge

This year's *Summer Reading Challenge* is officially in full swing and the theme is "Silly Squad" - funny books, happiness and having a laugh. Well done to everyone that has taken part so far. If you are yet to join in the fun, don't worry, you still can!

This year, the *Summer Reading Challenge* has gone digital! This means that it is more accessible than ever to take part. All you need to do is visit the following website to get started: <https://summerreadingchallenge.org.uk>

The Westfield family really think that this is a great way to discover some new awesome books; it also gives you the opportunity to play games to earn points and unlock badges throughout the challenge. Let us know how you get on!

Happy reading!
