# Parent and Carer Award

Parent and Carer award goes to....

Sophie Howard

During lockdown Sophie made all of our neighbours special cupcakes and left them on their doorsteps. She also drew a huge rainbow and other nice pictures on the side of our house, which faces our neighbours houses, to make them smile when they looked out of their windows :)

Parent and Carer award goes to....

Lucas Webber

I would like to nominate my very caring son Lucas Webber. Within lockdown we heard of a family similar to ours that were struggling to make ends meet. Myself and Lucas had a chat and decided that we could help this family. Lucas thought very hard about what he thought would make this family happy and kindly donated some of his favourite snacks to a food bag we had prepared. Lucas showed empathy, compassion and kindness.

Parent and Carer award goes to....

Ava Howard

I would like to nominate Ava as she has been the best big sister to George. Helping him out of school when we were at home and then in school too. She supports mum at home and is always a joy to people around her. She is a special little girl x

Parent and Carer award goes to....

Jacob Jones

Jacob helped his Auntie Rose celebrate her 99th birthday in May. He made her a huge colourful painted poster, took a big birthday cake (with lots of candles!) and sung Happy Birthday in her garden at a safe distance. He can't wait to give her a big hug and play dominoes with her again. We are counting down the days to her 100th Birthday, hopefully we will be able to have the biggest party ever!

Parent and Carer award goes to....

George Howard

I would like to nominate George for being such a big boy. He's adapted through such a difficult time when he has shown he struggles previously. We are a few very proud of him at home x

Jacob has also really encouraged his brother Riley the past few months to have the confidence in himself to finally ride his bike without stabilisers. He has shown he can be really helpful and caring in such strange times.

# Other News

## Dear Parents and Carers

This week we have seen more children returning to their bubbles, and can I say, well done for settling in so well. The weather has not been as glorious as last week, however, the children have been enjoying their outdoor sessions, especially in the forest.

Yesterday, updated guidance was released from the Government regarding a full return for **all children** in September. This is welcomed news and a step closer to normality. There will be a strict set of guidelines to follow and I am currently putting together a recovery plan, plus updating the risk assessment. I have added the link to the parent and carer guide if you wish to read through.

Before the summer break, I will share with you the plans for our school in September.

Take care, Miss Pope
