Next week, I will have the plans for 'what school will look like in September' ready to share with you. As from Monday, please check the website and school spider for further communication.

End of year school report

End of year school reports will be available to collect, from the office, after 1pm tomorrow (Wednesday 15th July).

If your child is already in school then they will bring their own/plus their siblings report home with them.

The report will look different, as your child has not been in school for the whole year. We have included attainment from the pupil progress meetings held back in February, but there will be no test data, due to the cancellation of all tests.

Once you have read the report, if you would like to speak to the class teacher, then you will need to register your request on school spider by 12pm on Friday 17th July.

Following this, the class teacher will contact you to arrange a telephone appointment for the following week.

For the children who are in Year 2, 3, 4 and 5 or are continuing home learning, you will also receive a transition pack for you to complete at home ready for September. Please bring this with you on your 1st day back in school.

Thank you, Miss Pope.

Monday 20th July - Wednesday 22nd July 2020
Parent telephone meetings

Wednesday 22nd July 2020
School closes for Summer

Thursday 3rd September 2020
Autumn term starts

Parent and Carer Award

One again, congratulations to all the children nominated by their families. This is the second week that I have been amazing by the wonderful stories of what our children have been doing during lockdown.

Parent and Carer award goes to....

Sky Mills

I would like to nominate Sky Mills she has been incredibly amazing throughout the Covid period. She has helped not just her family but she is always helping others if she can even if it all just a chat over the phone or over gardens.

She is always willing to share with others and even though she is missing her friends she tries to put others before herself. Mum and Step Dad are very proud.

Parent and Carer award goes to....

Shelby Mills

I would like to nominate Shelby Mills. At first Shelby wasn't coping well with the whole out of school change in routine. She is now taken in lots of knowledge and is over Covid and updates on school. She has been missing Mr P and all her school friends. She has been helping a couple of her friends from her school class to stay positive and is always encouraging healthy friendships.

She is working hard with all her work and she is always helping her class friends over the phone and they all learn each other on subjects. Mum and Step Dad couldn't be any more proud than we are of Shelby.

Parent and Carer award goes to....

Patrick Krawczynski

I would like to nominate Patrick for his amazing community work. He was part of a team that has been delivering face masks, scrub bags and scrub clothes for NHS staff and care homes or anyone who asked. Well done boy for stepping up.

Parent and Carer award goes to....

Ruby Pilling

Ruby has started to play the guitar. She has tried really hard in her lessons over Zoom and has persevered with it despite finding some bits tricky. She already knows all the parts of the guitar and has improved in time trials for different songs.

Parent and Carer award goes to....

Grace Thornton

Since lockdown started Grace has made sure her Nan stayed safe by going shopping with me to get Nan's food. She made a rainbow key ring for her and made little "stay safe" cards. She also makes her cakes because Nan loves cakes. She is so thoughtful and kind and wants to make sure Nan is happy and safe. We are proud of her.

Parent and Carer award goes to....

Poppy Lynne

Poppy has shown she is able to cope well with lock down and social distancing away from family and friends. She has become more independent getting up in the morning brushing her own hair and teeth. She has made all the family a lovely salad for tea and really enjoyed doing this. She helps a lot with her baby brother and is being very patient and supportive whilst her mum is preparing for the arrival of another baby. She is our delight and spending time with her is always energetic and fun :)
