Welcome back

I think this week I have been the proudest person on the planet! Your children have embraced coming back to school with open arms, worked extremely hard and enjoyed time with their friends. On the first day, teachers explained to the children the new way of school life. They have all listened and followed the guidelines perfectly.

On another note, I wish to thank you as parents and carers for your support. We have been hoping that the plans we had put on paper for opening would work and due to your cooperation we have managed to get all class bubbles in safely. For finish timings, we can make individual arrangements to ensure that siblings leave at the same time so please speak to a member of staff if needed.

Westfield Primary School Weekly Newsletter

4th September 2020

Breakfast and after school provision

Our parent pay system is available for booking breakfast and after school provision. In order to guarantee a place, please book the day before by 6pm at the latest.

I have been asked by some parents about being able to exit the school grounds via the back entrance. Unfortunately, due to the narrow path, we are unable to change from a one way system at this point in time.

PE starting from next week

As previously mentioned, your children can come to school in sports clothes on their PE day, instead of school uniform. Please do not purchase anything new as whatever they have at home is fine. Please be aware that the children, unless it is raining heavily, will be outside for PE. Think warm and comfy to move in.

PE days

Oak/Year 6 - Friday
Birch/Year 5 - Monday and Thursday
Larch/Year 4 - Thursday and Friday
Maple/Year 3 - Tuesday
Cherry/Year 2 - Friday
Willow/Reception and Year 1 - Thursday

Information on after school clubs

Clubs will not be starting back yet due to the children being in class bubbles and not being able to mix with other children from different year groups.

As soon as we can get back up and running with clubs we will let you know.
