Recovery Curriculum

Currently, we are not able to hold whole school assemblies. I am, however, conducting class celebration assemblies from the bubble doors, so that our awards and star of the week can continue. On Friday, I asked the children how their week had been and I got lots of responses including fantastic, fun, great, amazing along with strange and awkward. We understand the need to sometimes adapt our lessons in order to address any questions or concerns the children have. I had a good discussion in Year 4 as to why teachers don't wear face masks. The priorities for teaching and creating a recovery curriculum, is ensuring we teach Maths, Reading, Writing and Science, alongside a strong focus on physical activity and personal and social development. The children now have a second playtime and have enjoyed the time to socialise with their friends and build relationships.

I am in the process of updating the school website, including a tab at the top called Covid-19 updates. Please check regularly for updated information from all agencies.

A little bit of fundraising fun....

Many of you will have noticed the mammoth-sized pumpkin growing in our school vegetable patch.

We are running a competition to win the pumpkin for your family, just in time for halloween.

All you need to do is guess, in millimetres, the size of the pumpkin around its widest part.

The nearest guess will win the pumpkin!

Today, the competition will open on school spider for you to enter your guess.

£1 a guess which can be paid on Parent Pay.

Competition will close on 22nd October where the winning guess will be announced.

Dropping off and picking up

Covid-19 guidance for schools, states that only 1 family member can drop off/pick up children from school. Can I kindly ask, if more than one person arrives at school, the second family member waits at the gate. This is to minimise the number of people on site.

Can I also remind families, to socially distance and keep 2m apart from other families as you move through the one-way route.

Keep to your family bubbles to keep everyone safe.

Thank you

Reminder

PE days

Oak/Year 6 - Friday
Birch/Year 5 - Monday and Thursday
Larch/Year 4 - Thursday and Friday
Maple/Year 3 - Tuesday
Cherry/Year 2 - Friday
Willow/Reception and Year 1 - Thursday

Children must come to school in sports wear on their PE day.
