Our Vision

Vision

Our vision, as a Westfield family, is to promote independence, individuality and an inquisitive mind.

Mission Statement

At Westfield Primary School, our children are treated as individuals: embracing equality and celebrating uniqueness. We strive to provide a high quality education, enabling children to branch out, achieve their best and strengthen their emotional, social and physical well-being. Children will become curious learners, who can confidently communicate their thoughts and opinions in order to manage the challenges of everyday life.

'Where the roots are deep, there is no need to fear the wind.'

We will build the foundation of our community through compassionate, healthy and meaningful relationships: where we all feel safe, protected and loved. Our goal is to empower all of our children to cultivate and apply their skills, knowledge and individual talents to enable them to take on the world. Our success will be measured by the growth we see in our children.

'From seedlings to saplings, standing tall and proud.'

Win the pumpkin

All you need to do is guess, in millimetres, the size of the pumpkin around its widest part.

The nearest guess will win the pumpkin!

The competition is open on school spider for you to enter your guess.

£1 a guess which can be paid on Parent Pay.

Competition will close on 22nd October where the winning guess will be announced.

Just under 2 weeks left!

During school closure, the staff at Westfield Primary School revisited our school vision and mission statement. Reflecting back, one year on from our last OFSTED inspection, it was clear that we had grown and developed beyond 'Aspirations for all'. We believe that our statement truly captures what we want to achieve for all our children.
