Assessments in 2021

Changes to primary SATs and assessments

The DfE announced that the following exams are cancelled for 2021:

- KS1 English reading
- KS1 maths
- KS1 English grammar, punctuation and spelling
- KS2 English grammar, punctuation and spelling

The DfE has also confirmed that the introduction of the multiplication tables check in Year 4 will be postponed again – it'll just be optional this year.

Our school will be allowed to take a more flexible approach to administering the remaining KS2 tests and the phonics screening check, by extending the original timetable by a week, to **26 May** (KS2) and **25 June** (phonics).

Mrs Davies will be in touch shortly with information regarding booster sessions for Oak class.

We will also be delivering an online presentation for parents with all the information needed about the KS2 SATs tests and KS1 phonic tests.

With 2 weeks to go, please can I ask you all to follow the Covid-19/Tier 2 guidelines and our school procedures. Being so close to Christmas, I do not wish for any families, class bubbles or staff having to isolate over the festive period. We have all come so far and I know a lot of sacrifices have been made in order to keep people safe. Let's continue and make sure that we can have the best Christmas possible with our loved ones.
