Westfield Primary

School PTA

Welcome to our first ever PTA newsletter!
Here you will find all the latest info on all we do for our school community, making sure all school children benefit.

What is a PTA?

A PTA is a separate charity to our school, but we work alongside the school community to provide the 'little extra bits' for all classes. This can be things like school planners and hoodies for school leavers, Christmas selection boxes or easter eggs. We also provide extra 'fun' such as film nights and bingo's and have held discos and parties in the past. We love for the children to have a pantomime experience around Christmas time.

It does not involve a full-time job to be a part of the PTA, just a few hours work when events are on. We hold a meeting once a term (with cake!) to discuss upcoming events and ideas for fundraising.

It really is just about giving the children as many extra experiences as we can throughout the year, especially in difficult times.

Outdoor Classroom

As well as all the smaller purchases the PTA provide to go alongside our children's education, we are still aiming to fund an Outdoor Classroom which all children can use. It will bring aspects of learning to life and provide further enrichment for all.

If you know of anyone who can help us with this project, please speak to a member of the team.

We need YOU!

As a parent at our school, you are automatically a member of the PTA. There are sadly only a few of us left now that children have moved onto high school. We would love for you to get involved, from helping with fundraising ideas, to helping to prepare prizes and bagging popcorn, or staying to help with an event! Any help no matter how small would be greatly appreciated.
