## Improving our remote provision

Last week, some children completed a survey regarding remote learning. We are always looking at ways of improving our provision and it was really useful to know how the children felt. The children said they would like more support with Maths. I have also had feedback from parents asking how can we help with the teaching of Maths, especially in Year 5 and 6. In response, Mrs Davies and Mr Parker have set up live Maths meets, which both children and parents can join. Every morning at 9:45am, both teachers will be available to answer questions and demonstrate maths concepts and teaching. To support further, Mrs Havard and Miss Monaghan will be starting small group live Maths sessions for their classes. Children across the school have expressed how the 'live meet' session is a highlight of their day, especially catching up with friends and teachers. Our first celebration assembly was my highlight of the week, especially seeing the delighted faces of the children who received an award.

Thank you for your continued support and please email or ring the school office if you need anything.

Take care, Miss Pope.

### Star of the week 15th January 2021

Congratulations to the following children who received star of the week.

Willow - Lilith Bentley

Cherry - Archie Turner

Maple - Rosie Le-Surf

Larch - Layla O'Neill
