SCOUTS – WHATS THIS?

In attendance will be Andrew Coe

Did you know that Scouts Beavers Cubs cater for all children with all disabilities. This is a wonderful activity for SEN children to learn life skills, make friendships and just have fun. At Moonmeadow in Farnworth they offer clubs for all children aged 5 to 19 and then volunteering roles after that age.

This provision is a great activity once a week for all children to attend, come and listen to what they can offer for your child and also they have opportunities for parents to volunteer on an adhoc basis if parents feel they want to as well. They are flexible and can work around the childrens needs.

Your childrens week will never be dull again after joining the Scouts.
Join the adventure and it will be the best thing you do this week!

Can you inspire, motivate and plan?
